Aluminium, modular access covers for soft floor finishes, available in single, duct run or multiple arrangements.

- › Made to measure to suit individual/custom size requirements, plus a range of stock sizes for immediate delivery of single covers
- › Lightweight for safe manual handling
- › Loading: Pedestrian foot traffic / light trolleys. Higher loadings available upon request.
- › Covers manufactured to precision tolerances ensuring easy removal and maintenance
- › Light grey PVC weldable joint to form a permanent hygienic seal between cover/frame and floorings
- › Double seal seated in frame preventing damage during maintenance and removal/storage of the covers
- › Durable seals installed to prevent dust and dirt ingress and possible odour egress under atmospheric pressure
- › Covers are available to suit soft flooring such as vinyl, linoleum, rubber and carpet tiles
- › Lifting blocks anchored to the inner frame
- › Anodised colours available for custom colour finishes
- › Manufactured in the UK to BS EN ISO 9001, 14001 & 45001
